The Power of Membership

Being a National Council member puts you in excellent company and signals your interest in being counted among the most involved and forward-thinking skin cancer prevention organizations in the country. Our members are leaders in their own communities and in the broader skin cancer prevention community, which creates an inherent camaraderie that benefits all of us.

If you seek to heighten your organizations' presence, expand its influence, improve its operations, and reach out in new and innovative ways, become a member of the National Council on Skin Cancer Prevention.

We welcome your participation.

Membership Benefits

**National Council on
Skin Cancer Prevention**

The National Council on Skin Cancer Prevention has been a trusted resource for the nation's skin cancer prevention community for over a decade. Our members are the nation's premier researchers, clinicians, and advocates for melanoma and skin cancer prevention.

We stand as a united voice to reduce skin cancer incidence, morbidity, and mortality, through awareness, prevention, early detection, research, and advocacy.

The National Council has the connections and the national voice to advocate, to influence, and to increase skin cancer prevention awareness. We bring support, encouragement, and connection to more than 45 organizations, agencies, and associations that are making a real difference in the lives of millions of adults, children, and families throughout the country.

Through your membership, you ensure that our efforts are focused on issues of importance to you and your community.
